On factory premises the provisions of the road traffic regulations and the road licensing regulations apply.

The speed limit is 30 kph. For exceptions there are additional signs.

Bicycles must be roadworthy!

The use of private bicycles and motor-cycles is not allowed within factory premises. Company bicycles must be marked with appropriate company labels on the frame and must be inspected annually. Bicycles must not be used when there is ice on the roads.

Only vehicles which are necessary for conducting work or are in possession of a vehicle entry permit will be admitted to factory premises. All other vehicles must be parked outside factory premises. Parking vehicles must not obstruct the flow of traffic, may only park on the assigned or marked parking spaces and must not obstruct access to safety facilities. Parked vehicles on factory premises must indicate who the user is (e.g. sticker/vehicle pass or marked parking spaces and must not obstruct access to safety facilities. Parking vehicles must not obstruct the flow of traffic, may only park on the assigned or marked parking spaces and must not obstruct access to safety facilities. Parked vehicles on factory premises must indicate who the user is (e.g. sticker/vehicle pass).

Bicycles must be marked with red rear lamp with reflector, 2 separate break lights, high-mounted tail, lamp, white from reflector, dynamo, amber pedestrian warning light and rear lamp (at least 2 per wheel), red rear lamp with reflector and red reflectors, back-pedal brake, amber spoke reflectors, bell, lamp, white front reflector, dynamo, amber pedestrian warning light and front lamp.

Clockwise starting from top left:
1. Red rear reflector, 2 separate break lights, high-mounted tail, lamp, white from reflector, dynamo, amber pedestrian warning light and rear lamp (at least 2 per wheel), red rear lamp with reflector and red reflectors, back-pedal brake, amber spoke reflectors, bell, lamp, white front reflector, dynamo, amber pedestrian warning light and front lamp.
2. Red rear reflector, 2 separate break lights, high-mounted tail, lamp, white from reflector, dynamo, amber pedestrian warning light and rear lamp (at least 2 per wheel), red rear lamp with reflector and red reflectors, back-pedal brake, amber spoke reflectors, bell, lamp, white front reflector, dynamo, amber pedestrian warning light and front lamp.
3. Red rear reflector, 2 separate break lights, high-mounted tail, lamp, white from reflector, dynamo, amber pedestrian warning light and rear lamp (at least 2 per wheel), red rear lamp with reflector and red reflectors, back-pedal brake, amber spoke reflectors, bell, lamp, white front reflector, dynamo, amber pedestrian warning light and front lamp.

For exceptions there are additional signs. The speed limit is 30 kph. For exceptions there are additional signs.

In a chemical plant personal hygiene on the part of employees is absolutely essential. Eating and drinking are only allowed in the rooms provided for that purpose. Soiled work clothes should not be changed immediately, but allow them to become good time. Clothing which has come in contact with chemicals must be changed immediately.

In plants or parts thereof which are marked with the triangular warning sign bearing the letters EX (warning against explosive atmosphere) at the entrance doors or in the vicinity of the building, additional regulations and rules of conduct must be observed.

In explosion-hazard areas it is not allowed, as matter of policy, to carry or use equipment which can become a source of ignition, e.g. non-explosion-proof motor vehicles, transport vehicles, walkie-talkies, tools, mobile phones, torches, small appliances such as pocket calculators, cigarette lighters, matches, etc.

Anyone who intends to perform work involving fire or any other work with ignition hazards in explosion-hazard areas may only commence the work if he or she is in possession of an appropriate permit.
